Claims 1-54 are allowed over the prior art made of record.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Howard Zaretsky on 09/30/04.

The application has been amended as follows:

Claims 1, 18, 19, 35, 51 and 52, after "utilized to derive" please delete "the bandwidth available" and substitute --available bandwidth--.

Fig 1 of the drawings must state --prior art--.

The following is an examiner's statement of reasons for allowance: the closest reference by Deboer et al. US Publication Number 2002/0141334 A1 fails to teach a link state advertising information utilized to derive available bandwidth on a particular link for protection paths, protected paths and unprotected paths; a first search is performed for a path using only links having sufficient bandwidth available of a type the same as of the path to be found to accommodate the path; if the path search is not successful then, a second search is performed for a path using only links having sufficient combined bandwidth available reserved for protected paths and unprotected paths to accommodate the path. Other embodiment includes performing a third search for a path using only links having sufficient combined bandwidth available reserved for protection
